ABOUT US

Ascend Fluid Tools Pvt. Ltd., founded in 2003, specialize in delivering turnkey solutions in Metalworking Fluids and Cutting Tools.

Authorised Channel Partner

Product & Service Offering for Chemical Management

Full on site Services by technical experts to help reduce and sustain total operating costs. It takes a total package of products and services to reduce operational costs and increase productivity. With AFT CARE, all aspects of Chemical Management are available :

It is one of the leading manufacturers worldwide in industrial process fluids and services, with operations spanning 25+ countries. Their product range cuts across industries like automotive, aerospace, metals, mining, machinery, offshore energy and beverages.

PRODUCT OFFERINGS

-  Cleaners
-  Corrosion preventives
-  Die casting fluids
-  Drawing and forming fluids
-  Fire-resistant hydraulic fluids
-  Forging fluids
-  Industrial lubes and greases

-  Non-ferrous rolling oils
-  Neat cutting oils
-  Quenchants
-  Soluble metal removal fluids
-  Specialty coatings
-  Steel rolling oils
-  Surface treatment fluids

-  Metal finishing fluids

With over 100 years of rich global experience, Gulf Oil Lubricants India Limited has established a name for itself in the industrial lubricants industry.

PRODUCT OFFERINGS

-  Hydraulic Oil
-  Industrial Gear Oil
-  Compressor Oil
-  Quenching Oils
-  Greases
-  Thermic Fluid

-  Turbine Oils
-  Bearing and Circulating Oil
-  Metal Working Fluid
-  Refrigeration Products
-  Rust Preventive Solutions
-  Slide way Oil

Duracarb is a provider of precision metalworking tools and solutions, covering the entire range of applications, including turning, milling, drilling, parting, grooving, hole making and threading.

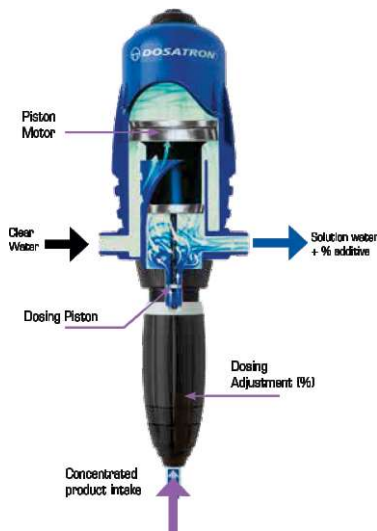

PRODUCT OFFERINGS

DMill DMold DFeed DDrill DCut DTurn DThread

DOSATRON[®]

Dosatron prides itself on its expertise in providing quality products for the treatment of fluids, besides maintaining a reputation for service excellence, and ease of access for customers, worldwide.

PRODUCT OFFERINGS

- D3RE3000
- D3RE2
- D3RE5
- D3RE10
- D3RE25IE
- D8RE3000
- D8RE2
- D8RE5

SAMYANG ABRASIVES

Samyang Abrasives Co., Ltd, comprehensively manufacturers and supplies products in all areas / domains that require abrasive processes. We provide comprehensive polishing solution services from the steel industry to automobiles, auto parts, bearings and various other ultra-precision grinding fields. We also manufacture up to 2000 mm (OD) products from Resinoid Grinding wheels to Vitry and CBN/ DIA wheels.

PRODUCT OFFERINGS

Resinoid Wheels

Vitrified Wheels

CBN/DIA

Hoffmann Group

A numero uno player in Europe with a global presence, the Hoffmann Group is a pioneering provider of industrial tooling and equipment that includes mono machining tools, modular machining, clamping tools, measuring tools, grinding and cutting, power tools and workshop accessories.

PRODUCT OFFERINGS

1. Industrial tooling and equipment
2. Mono machining tools
3. Modular machining
4. Clamping tools
5. Measuring tools
6. Grinding and cutting
7. Fastening tools for screws
8. Power tools
9. Workshop accessories

SERVICES

- Filtration Equipment
- CPU Projects
- Recycling Equipment
- Total Fluid Management

SERVICE ADVANTAGES

- Enhanced Tool Life
- Increased Machine Uptime
- Cost saving through reduced requirement of coolant concentrate
- Superior/Improved quality of finished products
- Eliminates issues regarding heating of tools
- Savings in labour cost required for mixing or machine cleaning
